QR code for E-Request

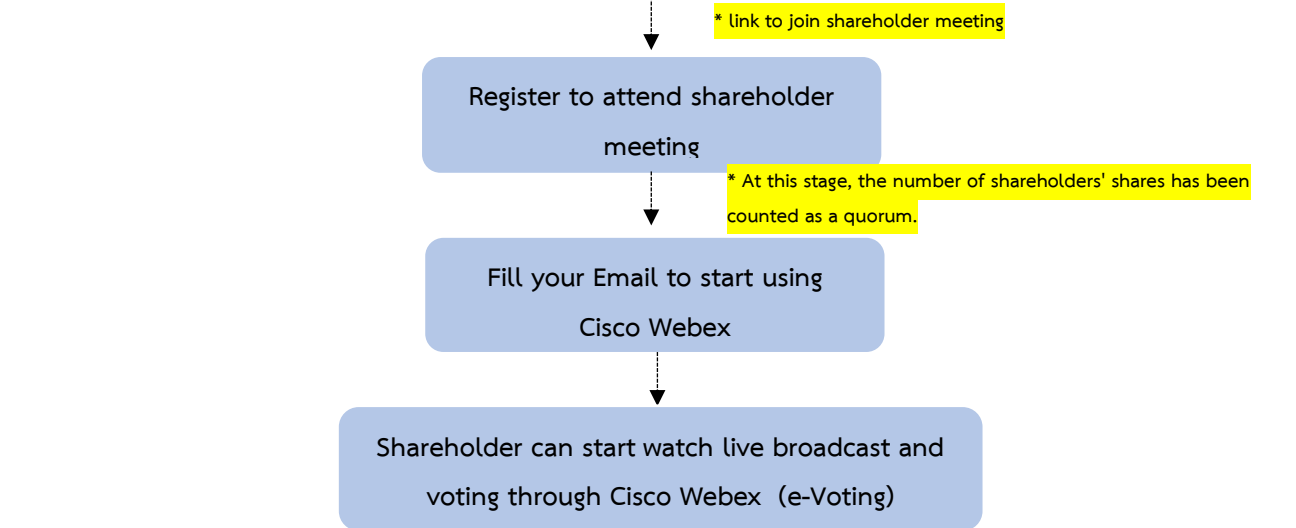

Or URL: <https://app.inventech.co.th/EGCO095509R>

processes before the meeting day

processes during the meeting

*** Note**

In the case of has multiple accounts shareholders can click “switch account” button. (the previous account’s share and vote will still be counted as a quorum)

In the case of leaving the meeting Shareholders can click the “Leave Meeting” button the system will remove the Shareholders’ votes and shares that were previously counted from the meeting.

Remarks:

- The e-Request system will be available from April 11, 2021 at 8.30 to April 19, 2021 at the end of Meeting.
- The advance question system will be available on April 19, 2021 (from noon to the end of Meeting).

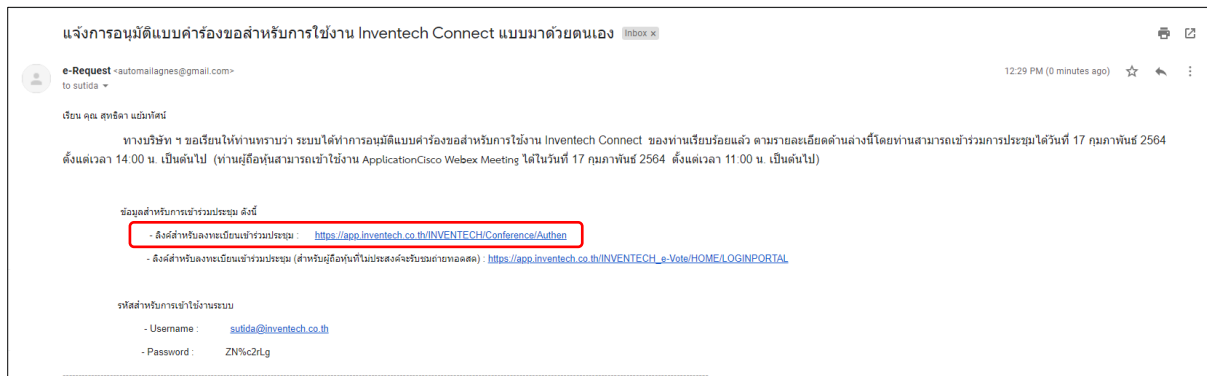

3. How to use INVENTECH CONNECT

3.1 fill information to submit a request (e-Request)

- Shareholder can submit a request and select “Attend by myself” or “Attend with proxy”

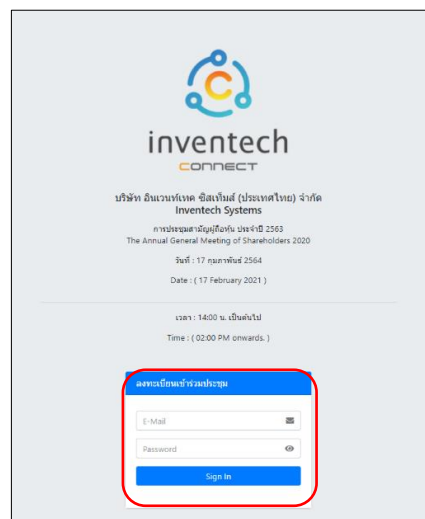

3.2 Check your email for “Approved confirmation to use Inventech Connect”

- Click the link to attend the Shareholder Meeting

3.3 Register to attend shareholder meeting (e-Register)

- Use Username and Password that you receive via Email to Sign in

3.4 Registration System

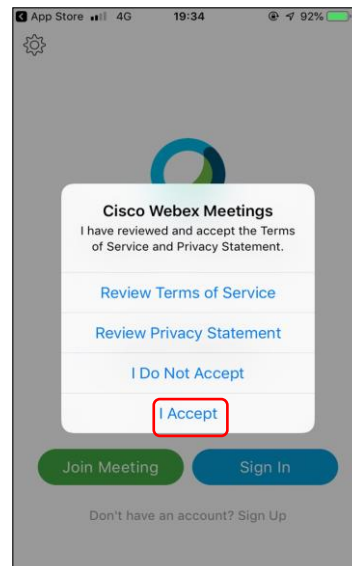

- This step will be considered that the shareholders have completed the registration to attend the meeting. The number of shareholders' shares has been counted as a quorum, then click the button **“Go to registration page to start watching the meeting via Cisco Webex Meeting application”**

- If English translator is provided for foreigner shareholders, click **“Go to registration page watch live Application Cisco Webex Meeting”**

3.5 Fill your email to register and attend the meeting via Cisco Webex Meeting application

- Press “Join” to start using Cisco Webex Meeting application
- First time user to Cisco Webex Meeting press “I Accept” and “Accept”

- Fill your name in “Name” field (For Android) “Display Name” field (For IOS)
- Fill your Email in “Email Address” (Must match with the same email that was used to make E-request)
- Press Agree/Allow to any application permissions
- System will now display details about the meeting. Press “Join” to attend the meeting

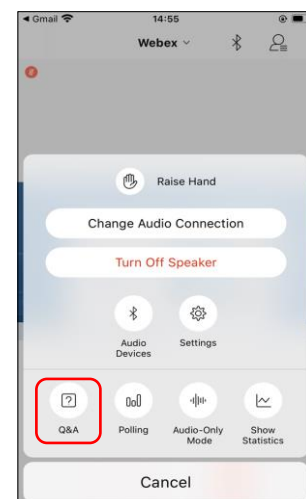

3.6 Watching live broadcast via Cisco Webex

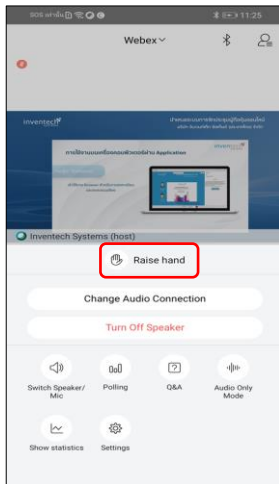

- Now you can watch live meeting broadcast or any agenda result during the meeting

(If you wish to view in a bigger screen, double tap the screen and the screen will expand)

- If shareholders wish to ask a question, they can click the “Q&A” menu and then type their Name, Last name, attendance status, and their question that they wish to ask and then click “send” to send that question to the admin team.

- If shareholders wish to ask a question by using their voice, they can go to the “...” menu and click the “Hand” symbols and wait for admin approval, after admin has approved, shareholder can use their device’s microphone and camera to ask question. (At this stage, if the shareholders have finished asking questions by voice. Click the "hand symbol" button again to bring your hand down.)

3.7 Voting

- Go to “Chat” in the chat function. In this function admin will leave important message or leave a URL link to e-Voting

- Click the URL link in the chat panel (Admin will send you a link in the chat panel), press “Continue”.

- Use username and Password that you receive in the email earlier to “sign-in”.

- After signing in, System will display “Successfully Registered” click “เลือกภาวะ / Select Agenda” to view the current agenda and select agenda to vote.

- When Shareholders wish to vote, choose the agenda to vote. Then the system will show all voting buttons 1. Agree (green color), 2. Disagree (red color), and 3. Abstain (orange color).

- To cancel the last vote, Press the blue button. "Do not submit vote" (blue color). (This means that your most recent vote will be equal to not voting, or your vote will be determined by the agenda result)

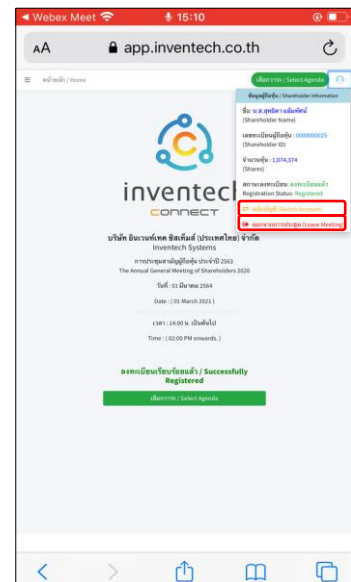

3.8 Switch Account

- When switch to the second account, Votes and quorum from the first account will not be removed from the meeting.

3.9 Leave Meeting

- Leaving the meeting will remove the votes of the Shareholders from the meeting on the agenda that has not yet been processed. If Shareholder leave the meeting during the meeting, the system will also remove the votes of the Shareholders from the meeting on the agenda that has not yet been processed.
